A diagram of a 300 m race track. The track is represented by a horizontal line with tick marks at 0, 100, 200, and 300 m. A bracket below the line indicates that the segment from 0 to 100 m is 100 m long.

The map displays a complex arrangement of land parcels, each labeled with a unique identifier. The parcels are separated by thin black lines representing boundaries. A prominent road runs diagonally across the upper portion of the map. Another road runs horizontally across the middle. A third road runs vertically on the right side. A specific parcel, 287/3, is highlighted with a red dashed border. The text 'ANUSIM' is visible in the center of the map, likely indicating the name of the village or area. The parcels are numbered in a way that suggests a systematic layout, with numbers often including a fraction (e.g., 126/1, 126/2, 126/3).

0 100 200 300 m

The map displays a series of land parcels, each labeled with a unique identification number. The parcels are arranged in a grid-like pattern, with some parcels being larger than others. The text 'BACIKI BLIŹSZE' is printed in the center of the map. A red dashed line highlights a specific area on the right side of the map, and another red dashed line highlights a small area on the left side. The map is oriented with a north arrow in the top right corner.

Parcel numbers visible on the map include:
